Can You Hear the Bells Ringing? **DECEMBER**

16th We are asking early...

because we need Parent Chaperones!

- ❖ Bell ringing shifts are: 4-5p, 5-6p, 6-7p, 7-8p, mostly during your regular CCD class time.
- ❖ Each parent chaperone would have about 4 kids with them.
- ❖ Start the shift with a simple prayer; have fun! End the shift with thoughts of how easy it is to be Catholic and help others in need. Help the kids make the connection from faith to community- faith purpose behind our actions of helping.
- ❖ There won't be regular class that night for 4th-8th grades. (This is a change from earlier notes) Grades 1-3 will have Christmas program practice during regular class time.
- ❖ **Parents will drop off & pick up their children at the bell locations**, so chaperones will not be driving other kids. **Please call the Religious Education Office (225-7065) and volunteer for about an hour!**
- ❖ You could have so much fun putting our faith into practice! Great way to evangelize your kids!

December 20th Children's
